ACKNOWLEDGEMENT

Knowledge is in the end based on acknowledgement

(Ludwig Wittgenstein)

I would like to thank Almighty who gave me enough potential so that I was able to accomplish my work. ALLAH gives our Holy Prophet P.B.U.H peace as he is guidance for all Muslims.

I would like to give my sincere gratefulness to the Head of Aviation Management Department, University of Management Technology **Captain Imran Saeed** for their utmost hard work in flourishing and polishing our capabilities in every aspect of this field. I am highly thankful to **Sir Nawaz Gill**, who was a great support and a source of inspiration to me. His dynamic supervision, consolatory behavior, affection and untiring attitude towards work have given me enthusiasm to turn my dream project into reality..... I also feel privileged to have such helping colleagues who were a reliable source of moral support and co-operation.

Words are inadequate to express warmest gratitude to my lovely parents and my siblings.

1 Abstract

The motto of this report was to highlight the pros and cons of Allama iqbal international airport facilities. What type of passengers travel by AIIAPP an how they find airport was discovered through. Research questionnaire is also conducted to check the feedback of passengers. Airport visit highlighted some major issues that are disused in detail. Passenger perceptions are also debated. Recommendations for better airport facility management are also stated. This research was conducted to make people know that no doubt there are several lop wholes in management of AIIAPP but it can be altered through various techniques.
