### INTRODUCTION

#### PROJECT TITLE:

#### **WAR MEMORIAL AND ARMED FORCES MUSEUM**

**“ENVISAGING THE EXPERIENTIAL AND INVOKING EMOTIONS THROUGH ARCHITECTURAL EXPRESSION”**

**(A PROJECT OF JOINT ARMED FORCES)**

The mission is to educate the people of Pakistan with the sacrifices of young blood officers lives and to arouse their spirit. To provide such comprehensive services we have to show the people of Pakistan the human life in war. The museum of military history and one of the world's most respected museums for the study and understanding of armed conflict. The Museum's exhibition galleries and public programs have been designed to emphasize the human experience of war. The Experience Galleries present the military history of Pakistan from earliest times to present day, as well as Pakistan's history of honoring and remembrance. Each gallery highlights defining moments in Pakistan's military history and the ways in which past events have shaped the nation. The strength of any nation is gauged by the depth of its heritage and cultural values. World history is privy to the fact that any nation that has not valued its past has its present in shambles and its future dismal. Pakistan is a country built by relentless efforts of our great leaders and unimaginable sacrifices of our ancestors. Since independence, this great nation has trampled many attempts of our adversaries (both from within and outside) to eliminate the very existence of this nation from the map of the world. However, due to selfless sacrifices of our defense forces (Army, Navy and the Air Force), this country has always thrived and came up with greater resolve and vigor to defend the country. The Wars of 1948, 1965, 1971 and 1999 are full of gallantry efforts and tales of heroism starting from individual level to joint tri services operations. The War Museum's galleries and special exhibitions promote public understanding of Pakistan's military history in its personal, national and international dimensions. To educate the people especially the youth of Pakistan with the hard truth of our armed forces. The spirit has vanished now days; therefore we have to arouse the spirit by showing the hard truth of sacrifices in the form of museum.
