**Syed Obaid Ullah**

**111720053**

“Say! He is God the One!

The Eternally Besought of all!

He does not beget, nor is he begotten,

And there is nothing comparable to Him.”

## **Gratitude to Allah**

**We pay our special gratitude to Allah Almighty who is sole owner of this universe and helped us whenever we prayed for His assistance, HE has blessed us with what we were looking to accomplish and helped us out by holding our hands during hurdles. We thank him for what we have achieved and consider each and everything as a gift from him through the element of luck cannot be ruled out. But Allah provided us the faith and determination to grasp the opportunities for the completion of a successful project.**

**Final Approval**

**Panel of Examiners**

1) **Head of Department** \_\_\_\_\_  
Department of Computer Science  
UMT Lahore

2) **Program Director ( Final Year Projects)** \_\_\_\_\_  
Department of Computer Science  
UMT Lahore

3) **Supervisor** \_\_\_\_\_  
Department of Computer Science  
UMT Lahore

## **Acknowledgement**

We thankfully dedicate this project to those people who were involved in this project and guided us with their supreme efforts. We would like to express our intense sense of respect to our supervisors and mentor Ma'am Emmen Farooq, for their relentless guidance and steady help during the project, her in depth knowledge on a broad spectrum of website and mobile application development and designing has been extremely beneficial for us.

Their willingness to give his time so generously has been very much appreciated. We are thankful to the Almighty for giving us a counselor like them.

We would like to express my appreciation to the Dean, school of science and technology, chairman of computer science Department, **Dr Tahir Ejaz and Syed Farooq Ali** for their support and help towards my graduate affairs. Our acknowledgement also goes to all the technicians and office staff of school of science and technology for their co-operations.

Last but not the least, our deepest gratitude goes to our parents for their love, support and suffering during our studies and project. We wouldn't be able to reach this point without their prayers and encouragement.

Thank you very much.

**Project Title**            In Case Of Emergency

**Objective**The main goal of the product is to assist different people when they are in case of emergency. The application help to assist people when they suffered from any kind of accident it help people to locate nearest hospital, police station number, fire fighter numbers, application use personal information of people family numbers, images of medical reports and to send a mobile message to the family member with just a touch

**Supervised by**            Ma'am Emmen Farooq
